ON PETITION

This is a decision on the petition under 37 C.F.R. § 1.137(b), filed March 1, 2004, to revive the above-identified application.

The petition is **granted**.

This application became abandoned for failure to timely reply within three months to the final Office action mailed August 11, 2003. A two-month extension of time under the provisions of 37 CFR 1.136(a) was obtained. Accordingly, this application became abandoned on January 12, 2004. A Notice of Abandonment was mailed on February 10, 2004.

Petitioner has met the requirements to revive the above-identified application pursuant to 37 CFR 1.137(b).

An extension of time under 37 CFR 1.136 must be filed prior to the expiration of the maximum extendable period for reply. See *In re Application of S.*, 8 USPQ2d 1630, 1631 (Comm'r Pats. 1988). Accordingly, since the \$530.00 extension of time fee submitted with the petition on March 1, 2004 was subsequent to the maximum extendable period for reply, this fee is unnecessary and will be credited to petitioner's deposit account as authorized.

There is no indication that the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute the above-identified application. If the person signing the instant petition desires to receive future correspondence regarding this application, the appropriate power of attorney or authorization of agent must be submitted. While a courtesy copy of this decision is being mailed to the person signing the instant petition, all future correspondence will be directed solely to the address currently of record until such time as appropriate instructions are received to the contrary.

The file is now being forwarded to Technology Center 2600 for processing of the Request for Continued Examination under 37 CFR 1.114 filed with the instant petition.

Telephone inquiries should be directed to the undersigned at (703) 306-0482.
